PROPOSED CONSTITUTIONAL AMENDMENTS—TAXATION— COUNTIES—SINGLE APPRAISAL AND SINGLE BOARD OF EQUALIZATION

H. J. R. No. 98

Proposing a constitutional amendment to require a single appraisal and a single board of equalization within each county for ad valorem tax purposes.

Be it resolved by the Legislature of the State of Texas:

Section 1. That Article VIII, Section 18, of the Texas Constitution be amended to read as follows:

Sec. 18. (a) The Legislature shall provide for equalizing, as near as may be, the valuation of all property subject to or rendered for taxation, and may also provide for the classification of all lands with reference to their value in the several counties.

(b) A single appraisal within each county of all property subject to ad valorem taxation by the county and all other taxing units located therein shall be provided by general law. The Legislature, by general law, may authorize appraisals outside a county when political subdivisions are situated in more than one county or when two or more counties elect to consolidate appraisal services.

(c) The Legislature, by general law, shall provide for a single board of equalization for each appraisal entity consisting of qualified persons residing within the territory appraised by that entity. Members of the board of equalization may not be elected officials of the county or of the governing body of a taxing unit.

(d) The Legislature shall prescribe by general law the methods, timing, and administrative process for implementing the requirements of this section.

Sec. 2. This proposed constitutional amendment shall be submitted to the voters at an election to be held November 4, 1980. The ballot shall be printed to provide for voting for or against the proposition: "The constitutional amendment requiring a single appraisal and a single board of equalization within each county for ad valorem tax purposes."

Passed by the House on May 7, 1979: Yeas 121, Nays 12, 2 present, not voting; passed by the Senate on May 24, 1979: Yeas 31, Nays 0. Filed without signature.
